

CASTORIA

for Infants and Children.

Save the Babies.

INFANT MORTALITY is something frightful. We can hardly realize that of all the children born in civilized countries, twenty-two per cent, or nearly one-quarter, die before they reach one year; thirty-seven per cent, or more than one-third, before they are five, and one-half before they are fifteen!

We do not hesitate to say that a timely use of Castoria would save a majority of these precious lives. Neither do we hesitate to say that many of these infantile deaths are occasioned by the use of narcotic remedies. Drops, tinctures and soothing syrups sold for children's complaints contain more or less opium, or morphine. They are in considerable quantities, deadly poisons. In any quantity, they stupefy, retard circulation and lead to congestions, sickness, death. Castoria operates exactly the reverse. It causes the blood to circulate properly, opens the pores of the skin and allays fever.

The signature of *R. H. Fletcher* guarantees genuine Castoria.

Physicians Recommend Castoria.

"Castoria is good for children and I frequently prescribe it, and always obtain the desired result."

E. GERALD BLATTNER, M. D.,
Buffalo, N. Y.

"Castoria is a splendid remedy for children, especially in the various diseases of childhood."

THEATERS FOR STORE SITES

FIRST CONCERT OF SYMPHONY ORCHESTRA

The intention of the Honolulu Amusement Company to "keep dark" all of their theaters except the Bijou, passes well for big bills at this theater. Instead of dividing the vaudeville talent recruited on the Coast between the Savoy, Bijou, and the Park theaters, all of these are in excellent business locations and the demand for business locations makes them a better rental proposition than they are amusement places.

Information regarding these properties can be secured at the Orpheum Theater business office.

LIBERTY'S CLEVER THREE CHANGE BILL TONIGHT

A change of act by Cecile, Eldred and Carr is announced for tonight at the Liberty Theatre, and while this is not the usual day for change, a new act by this clever trio will doubtless be acceptable, regardless of the day. Tonight's particular change features a dancing specialty by Miss Cecile, which is claimed by the management to be the most artistic terpsichorean creation yet presented at the Liberty playhouse, and judging from past performances of Miss Cecile, her specialty tonight will doubtless be all that is claimed of it, as this artist is rightly listed in the "name of finesse and artistry," while her partners are both equally as good in their respective lines. It can truthfully be said that the trio is one of the best vaudeville acts ever seen here.

Al Hallett and company continue to please with their sketches. His latest offering, "The Old, Old Story," while cleverly acted, is somewhat old in theme, but, judging from interest displayed by the audience, stories of this kind never become antiquated, and Hallett, not only because he is more than usually clever as an actor, has become a favorite part of the Liberty programs, he deserving great credit for the versatility in subject of his various sketches.

Will Marshall, although pleasing to some, would do better to eliminate his monologue.

HEART INTEREST IN PLAYLET AT LIBERTY

Al Hallett and his aggregation are appearing in a new play at the Liberty Theater this week—a story with a distinctive human interest trend. Mr. Hallett has called it "The Old, Old Story."

Cecile, Eldredge and Carr are still creating plenty of laughs with their "White Hopes Ragtime" burlesque, and the olio is completed by Will Marshall, society entertainer. New films are being thrown on the screen.
